Douai Park

If you enjoy this wonderful community resource in anyway please contribute
towards the upkeep.

www.douaipark.org.uk

Douai Park Recreation Association is a charity run by volunteers and revenue is required to maintain these wonderful facilities. The park is private and people who use it should be contributing in some way towards the maintenance and capital costs. If you use the park in any way it is hoped you will feel willing to contribute.

If you do not use the facilities but would like to support DPRA, that would be a wonderful gesture.

In return for your support DPRA will be able to maintain the quality of the facilities which are available for the community to hire. Enquiries: Please contact Steve Bates scb6642@gmail.com.

You can also receive e-mails informing you of all the activities that are available at Douai Park.

The 'Friends' contribution will start on **September 1st 2018** for the suggested donation of £52 and run for a year. Donations can be made at any time to join 'Friends of Douai Park'

Douai Park Recreation Association [DPRA] Rules

These grounds are private. Please note the following rules:

Gift Aid

If you are a UK tax payer why not Gift Aid your donation?

I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital gains tax in a tax year than the amount of Gift Aid claimed on all my donations in that tax year, it is my responsibility to pay the difference.
